GENERAL INFORMATION

MICRO MIX X-TRA is designed as a foliar spray on tree, row and field MICROS. It may also be used as a soil-applied product on various soil types. MICRO MIX X-TRA may be used to treat or prevent MICRO MIX deficiencies while providing a highly compatible source of MICRO MIX for tank mixes.

COMPATIBILITY

MICRO MIX X-TRA is compatible with most pesticides and fertilizers. However, a compatibility test is recommended if the desired combination has not been used in the past.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Follow all governmental procedures for the disposal of pesticide spray solutions. Rinse container; empty rinsate into spray tank. Dispose of empty container according to approved local practices. Contact county agricultural commissioner for disposal information.

CONDITIONS OF SALE
